for the Commemoration of POW Camps in Szubin

### **[Oflag 64 Remembered](http://oflag64.us)** ([oflag64.us](http://oflag64.us))

The Oflag 64 Remembered website brings together the families, friends, and researchers who share a passion about the experiences of the POWs of Oflag 64. The website's in-depth historical information and newsletters, and the group's reunions, help to maintain the spirit of the Oflag 64 family that the POWs established back in 1943. The POWs of Oflag 64 and their families have been gathering at regular reunions since 1947: Oflag 64 Remembered is an extension of that decades-long tradition. The site is maintained by Bill and Elodie Caldwell.

The Foundation contributes to the knowledge of World War II by studying and commemorating the experiences of Allied prisoners-of-war. Its programs focus on the thousands of POWs who the Germans incarcerated in Szubin, Poland, and the brave Polish citizens who assisted those prisoners. The cornerstone project will be the creation of a museum, in Szubin, at the original site of one of the camp's barracks.
